The letter of the C.E. vide pages 1 and 2 of the case file may be perused. Govt. in their order No.PWD 10154-57/KRS.15-47-6 dated 28-4-1948 have accorded sanction for the illumination of the Brindavan garden on special occasions for a total number of 34 days in a year. Hence the C.E. has now forwarded a list of festival days and other days on which special illumination in Brindavan Garden is proposed to be done which is placed in page 3 of the case file which may be perused. The total number of days now proposed is 32 against the total number of 34 days sanctioned previously.

The list was prepared long back, and some of the days, which were included in this old list, are not being declared as General holidays now by Governmen For this reason, these festival days do not attract sufficient number of visitors. As per this modified list, the number of days of special illumination will be 32 as against 34 days of the Old sanctioned list. It is also proposed to extend illumination by one hour ie., upto 10.30 P.M. on three days during Dasara, viz., Mahanavami, Vijayadashami, and Ekadasi, as huge crowd will be visiting Brindavan during these days.
